

Glass Etching Fellowship

If you're interested in learning how to etch glass, you're invited to the Foster's home on Saturday, March 23 at 10am.

The craft project will involve etching the name of your choice on a glass.

For more details, call Sheryl at 817-507-7394!

Sheryl Foster
127 Lakeview Drive
Aledo, TX 76008

I will have the vinyl stencils ready when you arrive, but we will go over how to make your own stencils should you want to make your own in the future. There will be a \$2 supply fee to cover the cost of the goblets, stencils and materials. If you have your own glass you'd like to etch, call me and we'll see if it's do-able.

Submissions must be turned in by Wednesday, March 20th.

1. Please print the name you would like to etch (we print it like you spell it, so be sure to spell it like you want it):

2. Please choose which font style you prefer
